All the Principals of Govt. Colleges in the State

Memo No.1/9-2015 Co. (2)
Dated Panchkula, the 21.8.2019

Subject:- Provision of CCTV Cameras in Govt. Colleges in the State of Haryana.

Kindly refer to the subject cited above.

Various Government colleges have sent requests for providing CCTV cameras. Apropos to the Principal's meeting held during the month of April, 2019 it was decided to provide uniform infrastructure to all colleges. But in case of CCTV surveillance, major factors of deciding requirements varied due to the area of colleges. It has, therefore, been decided that major/important spots may be shortlisted which will be covered under surveillance by all Government Colleges.

The Universities Grants Commission, New Delhi has issued guidelines for the Safety of students, on and off campuses of Higher Educational Institutions which also talk about covering major points under surveillance. Accordingly, following points (but not limited to) are suggested to be covered under CCTV Cameras:-

1. Entry and Exit Points of HEIs.
2. Common Rooms.
3. Auditorium
4. Hostels including Mess, Corridors, Common Rooms.
5. Corridors.
6. Sports Complex
7. Principal's office, Administration Block.
8. Labs.

I have been directed to request to consider these spots for installation of CCTV and intimate the requirement of additional CCTVs in accordance with the above by 27.8.2019, after which no request for CCTVs will be entertained. (Email ID : hechrycoord5@gmail.com)

An early reply will be highly solicited.
