

हरियाणा सरकार

It has come to my notice that some Assistant/Associate Professors/Extension Lecturers and even Principals /CDC (Principals) are coming to the Headquarter to meet the undersigned without taking on-line appointment which disrupts the official work. Therefore, it has been decided that if any AP/Principal comes to the Directorate to meet the undersigned without taking prior permission, strict disciplinary action will be taken against him/her.

All the Principals are directed to ensure that no Principal/AP/Extension Lecturer will come to meet the undersigned without taking on-line appointment.
