Subject :- To issue instructions for procurement and supply of commodities, stationary, FMCG, Personal Care and Home Care items through HAICL (Har-Hith)

On reference of above cited subject, I want to inform you that HAICL under the Retail Expansion Project aims to setup 2,000 FMCG retail stores/outlets (1,500 outlets for Rural locations and 500 for Urban Locations) across the 22 Districts of Haryana, which will help in boosting the spirit of entrepreneurship and generate favorable employment opportunities. Through these retail outlets, Government will offer best quality products at discounted prices under State-owned brands, National brands, MSME, Self-help groups and FPO. (FMCG). Currently running 400 stores and increasing at a fast pace.

The Retail Expansion Project further aims to facilitate the achievement of vision 'Atmanirbhar Bharat and Atmanirbhar Haryana' by making people self-reliant by providing them level playing field and making them reap the fruits of a growing Food & Grocery market. The focal point of this scheme is to make the people of the state of Haryana self-reliant and progressive.

The broad objectives of the same are listed below :-

- To provide an alternate channel of sales to MSMEs, FPOs, SHGs and Govt. Agencies and bring different stakeholders on a common platform by leveraging the strengths of each other.
- To promote entrepreneurship
- Provide best quality products at discounted prices
- Enhance the reach of Haryana based MSME's
- Promote retail policy of Haryana and generate employment across the State
