Dear respected Governor,

As you are well aware that Manipur has been under turmoil since the outbreak of an unprecedented ethnic clash between the Kuki (Hill community) and Meitei (Valley community) from 3rd May, 2023. Several valuable human lives were lost and several houses and properties were set ablaze of both communities. State Government, as precautionary measures, clamped curfew in all the Valley Districts as well as few affected Hills Districts of Manipur followed by suspension of internet facility in the State. Meanwhile, many students who are pursuing their studies/higher studies/professional courses in different Schools/Colleges/Universities in your State have been experiencing untold miseries to meet their day-to-day requirements coupled with expenditure pertaining to their study-related expenses.

I am very much concerned about the welfare of the students and I would like to ensure that the students are not adversely affected in their educational activities at this critical juncture and unforeseen circumstances. In this connection, I have also advised the State Government to take necessary action from their end.

I would be very pleased if you could kindly look into the matter and extend your valuable cooperation to ensure that the students from Manipur do not face any hardship in their academic pursuit. I hope you will consider my request favourably.

With warm regards,

Yours sincerely,

Anusuiya
(Miss Anusuiya Uikey)
