Mr Pankaj
Nayyar
(IPS)

CWS
outreach

We are thrilled to introduce the **ATL Marathon 2023-24**, a national-level innovation challenge spearheaded by Atal Innovation Mission, NITI Aayog, in partnership with UNICEF, and YuWaah. This competition is aimed at young innovators who can address community issues and create working prototypes of innovative solutions. In the last edition of the Marathon, over 12,000 innovations were witnessed, with the top 400 teams securing internship opportunities with reputed companies in India, as well as prizes and certificates from AIM, NITI Aayog.

The theme for this year's ATL Marathon is "India's 75th Republic Day." As we celebrate this significant milestone in our nation's history, we have crafted problem statements that resonate with the spirit of our Republic. These problem statements are designed to inspire students to explore innovative solutions that uphold the values and principles of our democratic republic.

This competition is open to all students of India (ATL Schools and non-ATL Schools) and is an excellent way to develop and hone an innovation mindset amongst the students. Please refer to the attached document for more details about ATL Marathon.

Participation Link of ATL Marathon- atl.unisolvc.org

In light of the above, I kindly request your support in the following ways:

- **Notify the Education Department:** Please notify the Education Department to support the program, disseminate information among schools, and provide the necessary resources for successful implementation.
- **Inform District Collectors:** Kindly inform district collectors about the program and encourage their active support, to promote innovation at the school level.

We thank you for all your support and will be happy to answer any further questions related to ATL Marathon.

Warm Regards,

Chintan Vaishnav

(Dr. Chintan Vaishnav)
