Subject: Regarding smooth implementation and rollout of "Extending Services of Bharat-Net Project".

Dear Sir,

CRID (IT) is implementing a project for extending optical fibre based connectivity (FTTH) at Gram Panchayat level through BSNL. Under this scheme 10 connections will be provisioned at each Gram Panchayat in Government institutions such as gram sachivalays, schools, anganwadis, health centres, police stations, PHCs. The total project cost is Rs. 130 Cr wherein Rs. 65 Cr has been received as grant-in-aid under Part-V of the "Scheme for Special Assistance to States for Capital investment for 2022-23" of Government of India. These connections would be provisioned free of cost to the concerned Government institution for 2 years from the date of installation and maintenance of the equipment with stable internet shall be the responsibility of BSNL. Beyond 2 years, the concerned Government institution shall be responsible for further subscription and maintenance. Each GP shall be provisioned with 3 types of connectivity:

1. 1 connection with 100 Mbps preferably the Govt. School.
2. 1 connection with 50 Mbps preferably the Govt. School or Police Station.
3. 8 connections with 25 Mbps

Additional Deputy Commissioner in their respective districts have been tasked with providing the list of locations where the connectivity is to be extended. Initially approx. 40,000 locations have been identified and shared with BSNL.

As the connectivity is to be extended to local institutions, you are requested to facilitate the smooth provisioning & rollout of the same as under:

1. A nodal officer at the district level may be nominated who can be contacted by BSNL in case of any issue along with safe custody, stable power source and physical upkeep of the infrastructure installed.
2. Communicate the bandwidth requirement (25/ 50/ 100 Mbps) to the concerned ADC for allocation justifying their usage.
3. Indicate if more connections are needed as more than one connection can also be provisioned in case of a large area to address the overall requirement.

Can we consider it for our colleges?
