Panchkula, Haryana

To

Principals of Government Colleges in Haryana (as per list attached)

No. **KW 29/4** dated **7-8-19.**
2017 Co(2)

Sub: Recording and telecasting of lectures using Video Conferencing Facility.

Kindly refer to subject cited above.

The Department of Higher Education is taking various initiatives to boost digital and smart learning in all colleges. This infrastructure also included video conferencing facility to 29 colleges. This Video conferencing facility was envisaged for having real time meeting with the college authorities and also to record and beam lectures to promote e-Learning. It will be pertinent to mention that department also has Learning Management System (LMS) installed in 17 colleges which also has integration with VC facility. Faculty members of these colleges can record their lectures using VC facility and send to the students using LMS. These lectures may further be linked with Shikhsa Setu App. This scenario will help in building repository of the e-Content which will be created completely in-house by our teachers and will give real learning experience to our students.

In addition, this VC facility can be used for beaming of lectures in real time. These lectures can be delivered covering complex topics which can help students in examinations. Teacher can take lecture in VC room which will be delivered to other colleges with VC facility in

ll

practice will help students in getting lessons from subject experts. These lectures can be beamed in zero period or after college hours so that students from other colleges can join VC session.

Accordingly you are requested that expression from teachers may be called who want to deliver lectures for various competitive examinations, or in Science, English and Mathematics using VC facility in the enclosed format after that weekly timetable will be drawn for beaming these lectures. For any technical assistance you are requested to get in touch with M/s ITI representative, Harloveleen Singh at his mobile 9501378911.
