Memo No. 27/190-2018 Co (I)

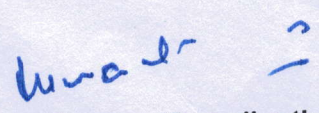

Dated 14th January, 2020

Subject: Regarding creation of alumni network in colleges

The Department of Higher Education, Haryana is committed towards improving the overall performance of the Higher Education Institutes (HEIs) of the state and bring in a culture of excellence in the present set of activities by strict and continuous audit of the performance of the Institutes. The Department has taken various initiatives in this direction as such and come up with the action plan of getting all its government colleges (*those which are eligible and existing over 5 years*) NAAC accredited by 2020-21.

Accordingly, department is working towards the contours which will help colleges in getting good grades in NAAC. During a meeting (MoM attached) with state level quality cell (SLQC) which was held on 20 November 2019 under the chairpersonship of Director, Higher Education, matter regarding alumni network was also discussed. It has been decided that colleges should have alumni association which will not only help in NAAC but also help in tracking of students after graduating from the colleges.

It will be pertinent to mention that department is in process of developing centralized alumni portal which will be integrated with the ERP solution. It is, therefore, requested that colleges may publicize notice of forming alumni network as per NAAC guidelines immediately. You are requested to take necessary action as suggested and send report on this matter by 21st January, 2020 at hechrycoord5@gmail.com.
