Dear Sir/Madam,

It has been decided to observe 11th December, the birthday of poet and freedom fighter Subramania Bharathi as **Bharatiya Bhasha Diwas** every year, marked with Bharatiya Bhasha Utsav leading to the day. The objective is to celebrate the diversity of Indian languages, and encourage our young people to build deeper bonds with their own mother tongues and other Indian languages.

This year we propose to organize 75 days of celebrations starting from 28th September, 2023 and culminating on 11th December, 2023. The celebrations will be held in schools, colleges, and other institutions across the country at every level, including blocks, and districts. We aim to involve one crore students, teachers, other staff in these celebrations. An indicative list of activities could include exhibitions, bhasha stalls, technology stalls, language quiz, Speech/Debate/Extempore in different languages, poetry recitation & Essay writing competition in various languages, creative performances depicting Lok-parampara and folk-art forms, Open mic/stage sessions, Street plays & dramas, food corner having cuisines representing our rich and healthy culinary habits or any other innovative activity. Special launch programmes can be organized at various places on 28th September. Local celebrities and dignitaries can be invited to participate in the programmes.

I am writing to you in context of the above with the request to kindly celebrate the Bharatiya Bhasha Utsav in your state for a period of 75 days starting from 28th September, 2023 to 11th December, 2023. This will be a great service for the fostering of Bharatiya Bhashas.

Yours sincerely,
