Memo No. 1/31-2023 CO.(3)

Dated Panchkula, the 19-09-2023

**Subject : Promotion of Green Hydrogen in Haryana – Reg.**

\*\*\*\*\*

Kindly refer to the subject cited above.

In this regard, it is stated that India has set its sight on becoming energy independent by 2047 and achieving Net Zero by 2070. To achieve this target, increasing renewable energy use across all economic spheres is central to India's Energy Transition. Green Hydrogen has significantly decarbonize sectors mitigating carbon footprints and the climate change. In future, it will create opportunities for employment, cumulative reduction in fossil fuel imports reduction and attracting investment and business opportunities.

In order to promote R&D (Research and Development), the knowledge sharing is the need of hour and in this direction, the Directorate of Higher Education, inviting the inputs and proposal from all the concerned in the online interaction to be held in this week. The concerned should inform their availability soon, so the link will be shared and the meeting will be held to materialise the modalities pertaining to the Memorandum of Understanding (MoU).

  
Superintendent Co-ordination  
for Director Higher Education,  
Haryana, Panchkula

Endst. No. Even
