4. Govt. College, Mahendergarh.

Memo No. 27/119-2017 Co.(2)

Dated, Panchkula, the 14/12/17

Subject :- 40 Hrs. Skilling Boot Camp for Haryana Government College Students.

Kindly refer to the subject cited above.

The Indian economy is at the cusp of transformation with the State of Haryana taking the lead in ushering new age technologies and job rules. A significant rise is expected in its working-age population presenting an opportunity for the State to take advantage of this demographic dividend.

However, while globalization is aiming at making the Indian economy as fastest growing economy and globally competitive, the need for bench market and standardized skills and communication proficiency levels that address the global requirements of employers is the need of the hour.

According to the "Haryana Youth Aspiration Survey 2017" conducted by the Haryana Vishwakarma Skill University, the top 6 sectors preferred by Haryana youths for pursuing their career opportunities are Sports, BFSI, IT/ITes, Automobile, Healthcare & Hospitality. While the job roles in these sectors and also the other sectors require students to possess high quality of Communication skills, Preventability, Preparedness, Business communication & IT skills to improve their employability with the employer, once they pass out from the colleges.

HVSU in its endeavors to develop these skills has partnered with global BPM leader, Concentrix Daksh India Ltd. and as a part of their CSR program, will design, develop and deliver skill development programs. Under this partnership, the University offers a 40 hours skill development module (target 2500 college students) focusing on developing the above-mentioned skills. To begin with HVSU & Concentrix will start in the colleges located

in and around Faridabad, Gurgaon, Palwal & Mahendergarh. The Department of Higher Education has entered into collaboration with the Haryana Vishvakarma Skill University for imparting training in Communication, Soft Skills and other professional skills etc.

You are requested to make batches of 25-30 students (preferably final year students). They will be imparted training for 5 days/40 hours. Necessary infrastructure may also be provided to the trainers. Nodal Officer for this project may also be appointed. Kindly extend full support to the University. Action taken report be sent to this office.

Please give Top Priority.
