Subject: Reduction of stipulated time limit for disposal of Public Grievance in CGRAMS - regarding

The undersigned is directed to say that the Centralized Public Grievances Redressal and Monitoring System (CPGRAMS), gives citizens a platform to lodge their grievances from anywhere and anytime (24x7) to public authorities in Central Ministries/ Departments/ State Governments/ UTs. Over the last couple of years CGRAMS has become more responsive with high rates of disposal and progressive reduction in average disposal time. An analysis of grievance disposals in CGRAMS reveals that about 87% Ministries/ Departments have disposed of the grievances in less than 45 days.

2. Given this progress and also in view of the recommendation of the Department related Parliamentary Standing Committee on Ministry of Personnel Pension and Public Grievances which suggested to reduce the maximum time limit for disposal of grievances from existing 60 days to 45 days, DARPG has decided to revise the grievance disposal protocol in CGRAMS as follows:

"The CGRAMS grievances shall be resolved promptly as soon as they are received and maximum within 45 days. In case redressal is not possible within the prescribed time-frame due to the circumstances beyond the control of the Government such as sub-judge matters/ policy issues/ etc., an interim reply shall be given to the complainant. The grievances under COVID-19 category shall continue to be taken up on high priority and resolved maximum within 3 days.

This issue with the approval of the competent authority.
