Siksha Sadan, Sector-5, Panchkula

Memo No: 2879 - 2880 /JD(AE) Dated: 10/08/2022

Subject: Massive campaigning aiming at bringing down to 'zero' the Crop Residue Burning in the State under the Central Sector CRM Scheme-regarding.

You are aware that the menace of crop residue burning has been a cause of concern for all of us. In order to dissuade the farmers from undertaking this practice, the Department of A&FW is planning massive campaigning aiming at bringing it down to zero. In order to achieve this objective Education department can play a vital role by creating awareness regarding adoption of environment-friendly and economically viable alternate methods of crop residue management. By involving the students of Government Schools and colleges who can play a very important role in disseminating the ill-effects of crop residue burning through their friends, parents and relatives. The following activities proposed to be taken up:

- i. Organizing '**Prabhat Pheris**' for spreading awareness amongst the farmers and prevention of Crop Residue Burning.
- ii. Designating Professor/teacher in every College/Government school may as Nodal Officer for his/her respective College/school, who alongwith 5 NSS students of that College/school to achieve the mandate.
- iii. Pledge during the morning prayer meeting for no crop residue burning.
- iv. Farmers may be appealed through their wards in school/colleges.
- v. Organizing paintings competitions on the subject.

As per details above your involvement will be a catalyst towards achieving the objective of zero stubble burning. The information w.r.t. action taken on the issue may please be intimated to this office.

Director General
Agriculture & Farmers Welfare Department
Haryana, Panchkula.
