It was stated that this year, the Jal Shakti Abhiyan will be taken up in the pre-monsoon and monsoon seasons, covering both urban and rural areas of all districts of the country, focusing on the saving and conservation of rainwater.

2. This Abhiyan will be launched by Hon’ble Prime Minister with the theme ‘Catch the Rain-Where it falls, when it falls’, at 11 AM on 22nd March 2021 (World Water Day) and address Deputy Commissioners of all districts and Sarpanches of all Gram Panchayats, through video conferencing. Gram Sabhas may be organized in all the Gram Panchayats, after the address of Hon’ble PM. The participants of the Gram Sabha should take a ‘Jal Shapath’ and subsequently discuss issues related to rain water harvesting and preparation of plans for water conservation. A follow-up Gram Sabha may also be held in May/June 2021 to review the implementation of the campaign and another Gram Sabha may also be convened in the week before the last day i.e. 30th November 2021 for stock taking of Jal Shakti Abhiyan activities.
