Date :

Subject: Regarding 2nd annual National Teachers' Congress (NTC) scheduled on 10, 11 & 12 January 2018, at MAEER's MIT World Peace University, Pune.

Dear Sir

National Teachers Congress (NTC) was founded by organizing 3-day annual discourse on 23, 24 & 25 September, 2016 at Pune. This was actively supported by Government of Maharashtra. All India Council for Technical Education (AICTE), Association of Indian University (AIU) and the UNESCO Chair of Human Rights, Democracy, Peace & Tolerance, Pune, also supported the NTC.

The objective continues to be to inspire the teaching community of under-graduate and post-graduate colleges from across the nation. About 5000 teachers from all parts of India, gathered and were exposed to extensive deliberations for 3 days. They contributed immensely on several issues for building the society and the country. Furthermore, I am hopeful, the thought-provoking discourse on several important topics will am confident, the continuing discourse can very much lead to laying the vision for future educational reforms.

The character of last year's gathering remained national. Now, for the second annual edition, to be held on **January 10, 11 & 12, 2018** at MIT campus, Kothrud, Pune, while more number of teachers from all states of India will be integrated, 1000 teachers of Indian origin living in foreign countries are expected to participate. They will share experiences with their contemporaries in India. We are sure, with this union of gifted minds, we will be able to evolve a better and enriching education system for India to regain its old glory of a Vishwa-Guru.

It is my sincere appeal to you to encourage spirited teachers from your state to take benefit from their participation at the Congress. I am sure, this will result in their own intellectual enrichment and personality development.

For further information or clarification, the Founder & Chief Convener of the platform, Shri. Rahul V. Karad can be directly contacted on 9881721353, 8888815421/22/24/25 and on email rt@nationalteacherscongress.com. The website www.nationalteacherscongress.com can also be referred for detailed information.

I am confident that you would be keen to consider this suggestion in all earnestness.

With best regards,

Yours

(Vinod Tawde)

(Proposed draft for Vice Chancellors)

To

The Vice Chancellor
All State University

Subject: Nomination of Teachers (Higher Education) to participate at 2nd annual National Teachers' Congress (NTC) scheduled on 10, 11 & 12 January 2018, MIT World Peace University, Kothrud, Pune.

Dear

The 2nd annual **National Teachers' Congress (NTC)** is being organized on **10, 11 & 12 January 2018, at MIT World Peace University, Kothrud, Pune.** This is supported by the **Government of Maharashtra, All India Council for Technical Education (AICTE), Association of Indian University (AIU),** for the merit, prospects and impact it holds for reinstating teacher's vital role in building the nation.

The objective is to inspire the teaching community of under-graduate and post-graduate colleges. At its very first annual conclave, about 5000 teachers from all parts of India, gathered and were exposed to extensive deliberations for 3 days. They contributed and benefitted immensely from the deliberations on several issues of national significance.

In its **second annual edition**, about 8000 teachers from Post Graduate & Under Graduate colleges of all streams and disciplines from India and 1000 teachers of Indian origin living outside India, are expected to participate. Indian teachers from abroad will share experiences with their contemporaries in India.

Bearing in mind the significance and gravity of the objective, it is felt that teachers from our state should also participate and reap the benefit of this Congress. You are advised to issue a communique to the Principals of all affiliate colleges under your university to nominate minimum 3 to 4 spirited teachers (under 50 yrs. of age) to participate in this Congress.

You may consider to put hoarding and posters of this academic endeavor at appropriate places within the University premises.

For further information or clarification the Office of Founder & Chief Convener of the platform, **Shri. Rahul V. Karad** can be contacted on **9881721353, 8888815424/25** and on email ir@nationalteacherscongress.com. The website www.nationalteacherscongress.com can also be referred for detailed information.

Best regards,

Education Minister

(Proposed Draft for Principal/Directors of colleges)

To

The Principals/Directors

Subject: Nomination of 3 to 4 Teachers (Higher Education) to participate at 2nd National Teachers' Congress (NTC) scheduled on January, 10, 11 & 12, 2018, at MIT World Peace University, Kothrud, Pune.

Dear

The 2nd annual **National Teachers' Congress (NTC)** is being organized on **10, 11 & 12 January 2018, at MIT World Peace University, Kothrud, Pune**. This is supported by the **Government of Maharashtra, All India Council for Technical Education (AICTE), Association of Indian University (AIU)**, for the merit, prospects and impact it holds for reinstating teacher's vital role in building the nation.

The objective is to inspire the teaching community of under-graduate and post-graduate colleges. At its very first annual conclave, about 5000 teachers from all parts of India, gathered and were exposed to extensive deliberations for 3 days. They contributed and benefitted immensely from the deliberations on several issues of national significance.

In its **second annual edition**, about 8000 teachers from Post Graduate & Under Graduate colleges of all streams and disciplines from India and 1000 teachers of Indian origin living outside India, are expected to participate. Indian teachers from abroad will share experiences with their contemporaries in India.

Considering the significance and gravity of the objective, it is suggested to nominate 3 to 4 teachers from your college to participate at the 'Congress' for reaping its abundant benefit.

For further information or clarification, the Office of Founder Convener of the platform, **Shri. Rahul V. Karad** can be contacted on **9881721353, 8888815424/25** and on email ir@nationalteacherscongress.com. The website www.nationalteacherscongress.com can also be referred for detailed information. Your timely response is naturally solicited.

Seed Thought

Rahul V. Karad
Founder Convener

We have a rich legacy of ancient Guru-Shishya bonding. Since ages our country has produced the greatest teachers of unimpeachable integrity, who were not just intellectual giants but also provided moral and intellectual leadership of a rare quality to our country. They were widely loved and respected as their teaching was infused with a high degree of idealism, passion and selfless service. Many of them did not limit themselves to just imparting knowledge but also shaped the values and ideals of modern India by leaving a deep imprint on our society.

As ever, we continue to believe in the power of education and morality in arousing the national consciousness. It is our bounden duty to provide an integrated education to the youth of India, that can produce students who will not only be intellectually equal to the best of their fellow students in other parts of the world, but will also live a noble life, love their country and be loyal and sensitive to the very community and society they represent.

The National Teachers' Congress (NTC) has been conceptualised with an objective to inspire teachers of Higher Education (under graduate and post-graduate colleges) from across the nation. Through extensive deliberations and dialogue of 3 days we aim to ignite the spirit of over 8,000 teachers every year so that they continue to look beyond the commercial temptations for creating deeper and wider impact on the society through this noble profession. As Prof. Dr. Anil Kakodkar, Founder Patron NTC has quoted - "As we are fast moving towards the Knowledge Era, we are sure that NTC will benefit all the important stakeholders of Education Process including Students, Teachers, Parents, Industry, Law Makers and Society at large." Jai Hind.

Introduction:

India is on the verge of great power status. The repeated success of our advents of space mission are inspiring and assertive examples of our technological prowess. But we still need a better education system. However, more than the resources, we require imagination and innovation to succeed. The quality of thought-provoking discourse that took place at 1st NTC assured one and all that this platform is set to contribute for laying the vision for future educational reforms in India.

Internationalization of higher education is at the forefront of academic thinking globally. Providing local students with some kind of international consciousness and knowledge is considered important for employment as well as citizenship in a globalizing economy. The emergence of the new global environment has been creating tremendous opportunities for internationalization of India. The dramatic expansion in the number of students going abroad and a significant rise in the number of partnerships with foreign institutions are examples of this growth.

On this backdrop, National Teachers' Congress has decided to organize its second annual edition by keeping 'Internationalization of Indian Education System' as its central theme. Being the first year, the character of the 1st NTC remained national. For the very first time in the country, 6000 teachers from all parts of India, gathered at one platform and were exposed to extensive deliberations and dialogue for 3 days. They not only contributed immensely on several issues but reinstated their vital role in building India's future. Through this platform, we wish to re-define the vital role of Teachers in building the society and the country.

While for the 2nd National Teachers' Congress, we will integrate more number of teachers from all states of India, but we also wish to invite the Indian teachers living in various countries. There are huge number of respected teachers abroad, who are making our country proud by their exceptional abilities and intellect. We wish that they participate at this important and unique discourse and share their experiences with their contemporaries in India. We are sure, with this union of gifted minds, we will be able to evolve a better and enriching education system for India to regain its old glory of Vishwa-Guru.

Vision:

To build a pool of inspired and committed teaching fraternity who will not just impart knowledge but also use the power of education for producing and nurturing the citizens who can remain faithful to the values and ideals of a modern India and sensitive to the physical and moral welfare of society and humanity.

Mission:

To bring dynamism, creativity and visionary outlook in the teachers by facilitating the exchange and dissemination of ideas and best practices through interaction with peers and thought leaders of all walks of life.

Objectives:

- To create a bridge between faculty across the globe at the under-graduate and post-graduate levels.
- To create a platform for like minded faculty for bringing creative and positive change in the society.
- To inspire the faculty to create future leaders of the World.
- To discuss and to create an environment of reaching out, where it moves from teaching to mentoring.
- To promote International and Regional understanding, inter-cultural dialogue and diversity of ideas and practices.
- To discuss, deliberate and find solutions on issues of education and allied sectors.
- To inculcate the best suitable value system in the young minds of the World.

Participants:

- Spirited University / College Faculty with established competency in innovative teaching, valuable research, having a vision for community welfare, who are socially sensitive and active and above all, are an all-round, passionate personality committed to creating knowledge-driven citizens with efforts beyond their professional scope of work.
- Senior PG/Research students who are aspiring to be teachers.

Take Aways from the Congress:

- Opportunity to establish connectivity between National and International faculty of diverse backgrounds.
- Start the process of peer learning that will benefit the faculty to understand diverse perspectives and think more creatively about their teaching.
- To Impact the future policy-making process and educational reforms of the government.
- Opportunity to enrich perspective and awareness on trends that are influencing the teaching methodology.
- Upgrade your skills in our workshop on current trends in teaching and learning.
- Opportunity for limited number of participants to visit USA/UK/Australia/China/Europe for short study tour for exposure and comparative analysis of education systems across the world at subsidized cost.

Medium of Communication:

- Hindi & English

Draft Itinerary

Day	Session No.	Sessions	Timings

- Opening Remarks by Directors of IIM / IIT
- Speech by 2 Teachers
- Address by The Chairman of the Session - Education Ministers of various states
- Conferment of Adarsh Shikshak Puraskar (Ideal Teacher Award)
- Speech by Eminent Speaker 1
- Speech by Eminent Speaker 2
- Question & Answer Session
- Voting on Resolution

Teacher to Teacher Connect

- It is designed for teachers to work in groups of 50 with focussed discussion on topics like - Technology in Education
- Unconventional Ways of Teaching & Learning
- Creating Young Leaders
- Shaping Innovation and Entrepreneurship
- Imparting Creativity and Design Thinking

This is a special initiative that has been undertaken to establish a network between teachers from across the country. Many teachers undertake community work for the greater good of the society in areas of their interest.

100 Topics will be identified and conveyed to the attendees of the NTC in advance for the Teacher to Teacher Connect Initiative. Participant Teachers will discuss and document those topics in groups and come prepared with the Concept Note Papers which would then be collectively published as the outcome of the NTC providing valuable inputs to the Policy Makers. The Teacher to Teacher Connect program will enable teachers of common interest to interact with each other through a mobile app and create live projects, the best of which will be awarded. This will instill the spirit of community ownership.
