Dated, Panchkula, the 15-09-2025

**Sub: - Regarding Updation of Government College Websites.**

In reference to the subject cited above, a letter was issued on 05.09.2025 directing all colleges to update their respective websites by 08.09.2025. Thereafter, district-wise monitoring was undertaken. During this process, it was observed that major sections of the websites of colleges in Panchkula district were found blank/not updated (screenshot enclosed).

All colleges of Panchkula district are hereby directed to provide justification for not updating the website as per deadline and update their websites positively by 01:00 PM tomorrow.

Strict compliance is to be ensured.

Incubator Centre of Excellence, Govt. PG College Sector 1, Panchkula

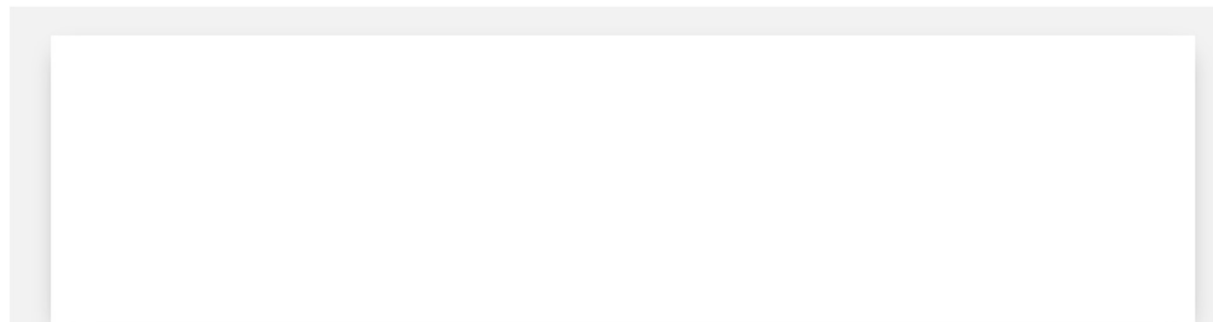

You have a great idea but don't know where to start? The Govt. Post Graduate College's Startup Incubator and Centre of Excellence is located in Sector 1, Panchkula. An excellent resource for bringing your ideas to life is a business incubator. Mentorship, shared office space, access to investors, access to their networks, and other services that a startup may require in its early stages are typical services provided by this incubator. The Incubator established by the Department of Higher Education has provided a platform for students to enhance their entrepreneurship skills. It plays a pivotal role in empowering rural and women entrepreneurs with its various initiatives. It opens doors in the careers of students. It provides workplaces, mentorship, exhibits, and clientele to students aspiring to become CEOs. Not only this but it also helps students connect with successful business owners and learn from their journeys. It aims to create massive jobs through startups, promote innovation and attract venture capital to the nation. Thus creating a sustainable startup ecosystem.

### For Students' Information

There is an internal assessment committee in the college to ensure smooth, transparent and timely assessment work. At the beginning of the new academic session fresh entrants are informed about the internal assessment process during orientation programme. Evaluated assignments and test answer sheets are shown to the students thereby making the students aware of their performance.

The marks obtained by students in the tests are discussed in the classroom and the students are given sufficient time to report any grievance. The grievances, if any, are resolved promptly by the concerned teachers. The marks of internal assessment are entered on the university portal and the record of the same is also kept in the college.

For practical examinations, the affiliated university constitutes a panel of examiners. Practical exams are conducted according to university norms in the presence of the external examiner. The award lists of practical exams are sent to the university and the record of the same is kept in the college.

## Incubation Centre / Start-ups / Entrepreneurship Cell

### Welcome to our vibrant and dynamic Incubation Centre!

Within the bustling corridors of our start-up accelerator chamber of commerce, we're driven by a singular passion: to unearth the latent entrepreneurial spirit within each individual and propel their aspirations into the realm of reality.

Rural India, a veritable treasure trove of untapped potential, brimming with the energy and creativity of its youthful populace. It is within this landscape that we envision a thriving start-up ecosystem, where the pursuit of entrepreneurship is not just an option, but a compelling career path.

Our mission is bold and unequivocal: to serve as a beacon of guidance, illuminating the path for aspiring entrepreneurs to navigate the complexities of business and forge their own destinies. Specifically tailored to the needs of rural entrepreneurs, we are steadfast in our commitment to provide comprehensive support and resources necessary for success.

At the heart of our Incubator Centre lies a vision of transformation. We see it as a catalyst for change, a catalyst for upliftment, igniting the flames of entrepreneurship among students from neighboring villages and fostering a culture of self-reliance and innovation.

Collaboration is key, and we are proud to partner with the esteemed government PG College's start-up and incubation centre of excellence in Panchkula. Together, we form a formidable alliance, pooling our expertise and resources to empower the next generation of rural entrepreneurs.
