

From

Principal Secretary to Govt. Haryana,
Higher Education Department, Chandigarh.

To

The Vice Chancellors of all Private Universities
(As per list)

Memo. no. 18/24-2016 UNP (5)
Dated, Panchkula, 15-6-17

Subject:- Regarding implementation of statutory provisions for admissions enshrined in the Haryana Private Universities Act, 2006 by Private Universities.

Kindly refer to the subject cited above.

There is an express provision, regarding admissions in Private Universities in Haryana Private Universities Act, 2006, which is as below:-

35. (1) Admission in the university shall be made strictly on the basis of merit:

Provided that for the purpose of filling minority quota in the university established and administered by a minority community, the zone of consideration for determination of merit shall be limited only to the students belonging to the minority community.

(2) Merit for admission in the university may be determined either on the basis of marks or grade obtained in the qualifying examination and achievements in co-curricular and extra-curricular activities or on the basis of marks or grade obtained in the entrance test conducted at the state level either by an association of the universities conducting similar courses or by any agency of the State:

Provided that admission in professional and technical courses shall be made only through an entrance test.

The above mentioned provision stipulates that admissions in professional and technical courses in a private university shall only be made through an entrance test which shall be conducted at the state level either by an association of the universities conducting similar courses or by any agency of the State. However, the private universities have been making admissions in professional and technical courses through their own entrance test and thus flouting the statutory provisions of the Act.

The State Government, while taking cognizance, has decided that all Private Universities in the State shall make admissions to the technical courses being offered by them through centralized entrance examinations conducted by Haryana State Technical Counselling Society. Further, admissions to professional courses in medical and allied faculties in private universities shall be done centrally by Medical Education and Research Department of Haryana.

It is also observed that some of the private universities are offering professional courses in Agriculture Science for which CCS HAU Hisar would conduct centralized admissions test. In addition to medical, technical and agricultural courses, private universities also offer B.Ed, Law and other professional courses. B.Ed admissions in the State are conducted by a state university authorized by the Govt. The private universities shall make admissions to B.Ed through centralized counselling to be conducted by the State University authorized by the State Government. All admissions in Laws shall be made on the basis of CLAT examination merit. However, for the courses which are out of the ambit of technical, medical education, agriculture, B.Ed and Law, the private universities may conduct their own entrance examination for the coming academic session i.e. this year only and from the next year, all private universities may form an association of Universities for conducting centralized entrance examination for such professional courses.

You are requested to adhere to these instructions strictly and send seat matrix in all courses of your University latest by 25th June, 2017. You are further requested to contact Director General, Technical Education, Director Medical Education and Research, Director, Agriculture and Vice Chancellor, CCSHAU, Hisar for the centralised admission process.

This may be treated as the MOST URGENT and TIME BOUND.

Superintendent UNP
for Principal Secretary to Govt. Haryana,
Higher Education Department

Endst. No. Even

Dated Panchkula, the 15-6-17

A Copy of the above is forwarded to the following for information and immediate necessary action:
