**Subject: Presentations on success stories/good practices by States/UTs

Sir/Madam,

The undersigned is directed to convey that it was decided in the 25th meeting of the Western Zonal Council at Diu on 11th June, 2022 that the Zonal Councils, which are an excellent platform for exchange of views, should be used not only to discuss problems but also to share success stories. Each State/UT was requested to share two to three of its success stories / good practices in the meetings of the Standing Committees of the Zonal Councils. Out of these, selected success stories are presented to the Zonal Council.

2. Accordingly, presentations on success stories/good practices are being made by States/UTs in the Standing Committee & Zonal Council meetings since the past one year. These success stories/good practices as presented by States/UTs are also uploaded on the Inter-State Council Secretariat website <https://interstatecouncil.gov.in>. These are categorized into 11 key areas, namely Good Governance; Justice and Home; Health & Nutrition and Women & Child Development; Education, Skill Development and Sports; Agriculture and Allied Sectors and Rural Development; Environment & Forests and Water Resource; Land Resources; Food & Public Distribution; Infrastructure; Power & Renewable Energy; and Urban Affairs.
