Memo No. 22/115-2015 CI (4)
Dated, Panchkula, the 3rd August 2015

Subject : **Regarding engaging of Resource persons on lecture basis in the academic session 2015-16.**

In continuation of this office letter No. 22/115-2015 CI (4) dated 21.7.2015, it is further directed that the resource persons on extension lecture basis may be engaged for the current academic year but not beyond the numbers engaged last year in a particular subject/course. Advertisement should be issued immediately if not issued earlier. The qualifications would be the same as in the last year. In case a person who was engaged last year applies against the fresh advertisement he may be denied engagement this year only if his work was not satisfactory and a more qualified fresh applicant is available. This would be consistent with the spirit of the judgment in many of the CWPs in which stay orders have been granted by the Hon'ble Punjab and Haryana High Court.

In case of a subject where there is a need to engage more resource persons than the last year whether due to increase in number of students or due to more vacancies of regular staff as compared with the last academic session a subject-wise complete case for engagement of eligible resource persons with all details should be sent to the Directorate for prior approval before a new person is engaged. Efforts should be made to encourage candidates possessing NET/SLET/Ph.D and retired Associate/ Assistant Professor in such cases.
